

THE FRUITGUYS®

Donate-a-Crate Program

Fruit it forward! If your office is closed or minimally staffed over any of the upcoming holidays, you can help those in need by forwarding your fruit box to a local charity. Our Donate-a-Crate program has fed thousands each year through your generosity.

You can choose from our list of recommended charities below, or let us know if there's a local nonprofit you'd like to support! Contact The FruitGuys Customer Service at info@fruitguys.com or 1-877-FRUIT-ME(378-4863) and we will arrange it. No additional delivery charges.

SAN FRANCISCO BAY AREA

PROJECT OPEN HAND
Meals With Love

Founded in 1985, [Project Open Hand](#) is a nonprofit organization that provides meals with love to critically ill neighbors and seniors.

Every day, they prepare 2,500 nutritious meals and provide 200 bags of healthy groceries to help sustain their clients as they battle serious illnesses, isolation, or the health challenges of aging.

Founded in 1981, [Family House](#) is a 501(c) (3) not-for-profit organization providing temporary housing to families of seriously ill children receiving treatment at the University of California San Francisco Benioff Children's Hospital. Qualifying families live more than 50 miles from UCSF, and many

live at or below the low-income status as determined by UCSF. The Nancy & Stephen Grand Family House sustains nearly a 100% occupancy rate and can accommodate 240 people per night. Over the course of a year, Family House serves more than 3,000 families.

[George Mark Children's House](#) is a nonprofit organization that provides the gift of time to children with life-limiting illnesses and their families—time for kids to be just kids and parents to be “mom” and “dad” instead of

round-the-clock caregivers. As the first—and currently only—free standing residential pediatric palliative care facility in the United States, they offer a unique alternative to hospice, hospital, or home care. The George Mark Children’s House is setting a new standard for pediatric palliative care, providing high-quality medical care to children with life-limiting illnesses and much-needed support services to their parents and siblings in a home-like setting.
