## GoodWorks Program: 2018

Your business with us supports sustainable small farms and hunger relief.

### Hunger Relief

Every week, we donate farm-fresh fruit to food banks, and work with local organizations to increase access to healthy food and encourage entrepreneurial youth activities.

Last year, we were able to donate approximately 2 million servings to those in need. You can help us reach more people by getting involved in our donations programs:

- 🍏 Donate your fruit box to a local charity through our **Donate-a-Crate** program.
- 🍏 Participate in a **volunteer event** with a local donation partner.

### Sustainable Small Farms

Since 2012, our nonprofit project **The FruitGuys Community Fund\*** has awarded more than \$214,000 in grants to 54 small farms to implement over 100 sustainable agriculture projects that have positive impacts on the environment, local food systems, and farm diversity.
